CMT 74A SHELSLEY

Ode to Fred	April fools day - ever been had?	Once café collector
This is an ode	Knee scraping	Milk deliverer
To a rather special chap	Full on japing	Chimney sweeper
It's not too long	Kind of chap	Steeple climber
So don't take a nap.	Skiing in the nude	High jinks sublimer
Maybe it's accurate	Christmas card lewd	Well turned heeler
Maybe it's not	All weather bracing	Business dealer
You be the judge	Vintage racing	Fine filly fancier
While we take a shot	Trophy chasing	Bottom pincher
He's a	Corner squealing	Thigh slapper
Charming	Status in keeping	Rib tickler
Disarming	Thrill seeking	Loyal brother
Overdoer	Record breaking	Loved his mother
Dresser upper	Adrenalin chasing	One off hubby
Flag waver	Trouble shooting	Bit of a tubby
Party goer	Impatient hooting	Kind of chap
Festival lover	Screech in first	And so ladies and gentleme
Mad as a hatter	Kind of a chap	Pray raise your cup
What does it matter?	Mood shaker	To Frederick George Giles
Kind of chap	Knees quaker	May he never grow up.
Relentless teaser	Pee taker	
Crowd pleaser	Rule breaker	
Rebel rouser	Humour unbridled	
Raucous raver	Dare devil unrivalled	
First with a food war	Nap taker	
Weddings rate the biggest	Barn builder	
Stroppy bugger	Forest planter	
Baby hugger	Hard worker	
Never a dull moment dad	Mushroom picker	
	Good manners stickler	
	Kind of a chap
